“ John was always hanging around one of us Schoonover's. He always had a smile on his face and was always joking around. I will forever miss seeing him walking uptown waving hello to people. He did not know a stranger. If you needed help he would jump right in without being asked to help out. He had a big heart. We will very very much miss John. He was " one of a kind"

“ Beyers family, where do I start. We all grew up together, from riding the bus together, to passing each other on the county roads, to picking corn out of our fathers bean fields. What a wonderful childhood we all had! Great memories! John was a great guy, A forever friend to our entire family, and of course of Brents! Any time I would see John he always had a kind word to say and we always talked about Brent, He always asked how everyone was, he was just a wonderful soul! My heart breaks for all of you.. Prayers and many thoughts are with all of you from the Ewing, Paden families! God be with you and Bless you all!

“ John sure made me laugh and smile. I cannot count the times he would just say out of the blue that he really loved his sister Ellen. Peace and comfort to all who loved him.
