“ I had Mr. Deere for 6th grade. He was my favorite teacher. He made school fun. We were always doing art projects with our class studies which made it fun to go to school. I didn't know his family at the time but when I went to 7th grade the next year I became good friends with his daughter Lori and got to know the family quite well. Lori was my Maid of Honor when I got married. Bob was a wonderful, kind and caring man and will be missed very much. My sympathies to all of the family. Love Candy

“ Deepest sympathy to the Deere family. When I think of you father, I think of his kind and caring nature, and warm smile. Because of his love of art, we did numerous art projects in his 6th grade class at Lincoln School, that made learning fun. He was without a doubt one of my favorite and most influential teachers! I hope that you are being comforted by the wonderful memories that you surely have of him.
